Activity of Integration

You are a member of the Nature Club at your school. The club is developing an environmental campaign for members of a community that lives next to a forest which is home to a troop of baboons. The baboons regularly destroy the crops in the community's gardens. The community members plan to get rid of the baboons permanently. The Nature Club has to raise awareness about respect for living things. You are given these 4 organisms and you are to elaborate a message showing their relation:
